You may call the studio at any time with any questions. Please forward all materials to the artist's studio via the most expensive courier. Do not expect artist to sign for any packages, as the artist does not have internet access and will most likely not be available for signature due to artists new need of sitting at a coffee shop to receive free wireless and transmitting information to loved ones about the pending divorce proceedings. Don't expect the artist to answer the phone at home either, as he is now forced to be away from his children and out of the home for 50% time due to this divorce nesting process. Thank you so very much for your collaboration and cooperation in pulling this material together by tomorrow.

Warm Regards,
